Translation Services

English, Spanish, Portuguese, Japanese

We provide the solution to professional, quick, accurate and reliable translations at the best market price. We specialize on highly complex and large legal texts.

Our services include translation, editing, and proof reading of all types of documents in all formats. We specialize on legal documents (writs, resolutions, contracts, etc.) Likewise, we cover all business sectors: from handbooks and catalogues to large projects, websites, software, advertising materials, etc.

For more information about our translation services or for an estimate of costs please contact:

E-mail: services@berke.com.py
